

BASE BALL MEN AT WORK

Two Great Schedule Meetings in One Day.

The National League has a lively time in Washington while the American Association holds its meeting at Columbus. Things that were done.

WASHINGTON, March 5.—While the pulse of Washington is still throbbing with the throes of the inauguration excitement, it is now threatened with convulsions by a host of meetings. The political bodies and soldiers with blatt hands do not offer any temptation to the small boys this morning.

The small boys thought the bands about the hotel were paying a compliment to the League, and this will probably explain why the meeting at the hotel was so much more moving.

The League went into session again at 4 o'clock, and at 6 o'clock adjourned until 7 o'clock. The meeting was a very successful one.

The American Association Meeting. COLUMBIAS, March 5.—The advance guard of the Association delegates came in early yesterday morning. They were Messrs. Byrne and Deple of Brooklyn and Kramhoff and Spear of Kansas City.

The delegates promptly at 10 o'clock this morning went into executive session, and by 3 o'clock had concluded their labors on the work of the Constitutional Revision Committee.

Peoples affirms that he is good for 100 games this season.

Ed High, the Brooklyn boy whom Columbus was hired to catch, formerly caught for Widener of the New Orleans club, will be paired with him this season.

Oh! I don't hardly know why, but the Athletics were after him, and would have been glad to have gotten him. I thought I'd show them now just who we need him, and as he had pitched his glasses, he continued to pitch.

For the first time in the history of base ball the schedule of a base ball organization was published in the issue of the Brooklyn Daily Eagle. It is a special arrangement of President Byrne of the Brooklyn club, and is the first of the kind.

The holiday games are: Brooklyn at home on Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. Philadelphia at home on Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday.

BOWLING.

Contents in the Amateur League Tournament—Other Games.

Possibly the most exciting and most important game in the whole series was rolled on Monday night at Roseville, between the Roseville and Palma Clubs.

The men were on hand early and both teams were in the best possible condition. Not only was the game decided, but the score was the score that for several years has been the correct result.

THE BEST REMEDY TAKEN IN SEASON.

For Sore Eyes, Cancers, Humors, Prurigo, and other manifestations of depraved blood.

Ayer's Sarsaparilla arrests blood-poisoning before it pervades the system. Don't delay till the forces of nature are exhausted and you are unable to work.

I have used Ayer's Sarsaparilla with excellent success, for a cancerous humor, or, as it is called, cancer on my lip. It has cured me, and I believe that the disease is entirely cured, and consider Ayer's Sarsaparilla the best medicine for the cure of eruptions caused by impure blood.

For several years afflicted with diarrhoea of the blood, I have received more benefit from the use of Ayer's Sarsaparilla than from all other medicines.
